

## **St. Raymond High School Confirmation Year 2 2017-2018**

Welcome to the second year of confirmation at St. Raymond's parish. During this year teens will participate in faith formation, a weekend retreat, service, a sponsor/candidate retreat day, parish liturgical celebrations, and social events. This May/June, the teens will hopefully have had enough time in discernment, prayer, and formation to make an informed decision for themselves in regards to celebrating the sacrament of confirmation. Please note the teens service hours must be done in corporal works of mercy (please email us with any questions).

Attached you will find the appropriate form to register for the year 2 program. Please fill it out completely before returning it to the youth ministry office.

***Parents are asked to volunteer 5 hours during the confirmation program. You must be up-to-date in compliance with diocesan safe environment standards.***

As always we are looking for adults who would volunteer to act as a facilitator for the year. The only way we are able to provide effective ministry to our young people is with your help. We use a team approach. The youth minister will facilitate the large group and adults facilitate small groups. You will be given all the information and support you will need. Feel free to contact the youth ministry department with any questions you might have.

**Early Bird Registration:** Register by June 30, 2017 and receive \$25 off tuition.

God Bless You,
